

Child Care Health & Safety Trainings

Important Information

- You can either register online at www.bananasbunch.org or return this form in person with payment to BANANAS. **Do not mail it.** (Make checks or money orders payable to BANANAS). Register early. No cash payments. You will receive a confirmation of your registration.
- There are **NO REFUNDS**.
- The fee for the courses covers the cost of books, CPR & First Aid Certificates, and EMSA stickers.
- Please arrive 15 minutes prior to class to allow ample time for registration. **NO LATE ARRIVALS WILL BE ADMITTED.**
- No infants or children are allowed to accompany participants.
- Wear comfortable clothes and bare lips. You will be practicing CPR on the floor and sharing manikins.
- There is a lunch break during these classes. Please bring your own lunch.
- You may be eligible for a scholarship. You must pay for the course and then apply for the scholarship after successfully completing it. Scholarship applications will be available from the instructor the day of the class.
- **If you live or work in Berkeley**, we offer scholarships all year thanks to the Bayer Corp. Call for a coupon code.
- These classes are offered on different dates in Spanish and Chinese. CPR & First Aid is offered in Vietnamese.

Module 1 - CPR & First Aid

Length: 8 hours

Cost: \$90

Time: Sunday, 9 am - 5 pm

This course meets the California State regulations for child care providers. You will practice life-saving mouth-to-mouth resuscitation and care for choking on manikins. First Aid teaches injury prevention and how to respond to emergencies and accidents. This class covers age birth to adult, though emphasis is placed on pediatric ages cared for in child care programs. This is a two year certification.

Module 2 - Preventive Health

Length: 8 hours

Cost: \$60

Time: Sunday, 9 am - 5 pm

This course meets the California State regulations for child care providers. It includes preventive health practices and management of communicable diseases, child proofing, immunization information, preparing for emergencies and evacuation, safe food handling, nutrition, and identifying and reporting child abuse. Currently this course certification has no expiration date.

Module 3 - CPR & First Aid + Preventive Health

Length: 16 hours (2 days of classes)

Cost: \$135

This course meets the California State regulations for child care providers. Course descriptions are provided under Module 1 & 2. There is a \$15 savings for bundling the classes. For online registrations, please call 510-658-7353 for the Online Discount Code.
